## **Weigand-Omega Management, Inc., and Omega Senior Living Launch the 6th Annual Teacher's Dream List Drive through "My Neighbor's Keeper" Community Service Initiative**

*Local Communities Unite to Support Teachers and Enhance Classroom Environments*

### **WICHITA, Kan.**

Weigand-Omega Management and Omega Senior Living are proud to announce the kickoff of their 6th Annual Teacher's Dream List drive, a key initiative under their "My Neighbor's Keeper" community service program. This endeavor aims to provide much-needed support to local teachers by fulfilling their classroom wish lists, ensuring an enriching learning experience for students. The campaign will run from August 7th to August 25, 2023.

Every year, dedicated teachers dip into their own pockets to purchase classroom supplies, decorations, educational games, and more, to create an engaging environment for their students. Weigand-Omega Management and Omega Senior Living recognize this dedication and are committed to making a difference by assisting teachers in acquiring essential items for their classrooms this fall.

"Our goal is to provide items that can relieve a burden for our teachers and make each day special for the students in the communities where our associates live and work," emphasized Craig Hanson, President of Weigand-Omega and CEO of Omega Senior Living. With a presence in over 100 locations nationwide, the initiative is poised to make a significant impact on both teachers and students.

Building upon five successful years, the program has steadfastly demonstrated its unwavering commitment to education. We proudly report an impressive 24,525 items with a combined value of \$53,389 has been collected over the course of the initiative. Additionally, this endeavor has 'adopted' 106 teachers and generated a positive impact on 4,516 students across local communities. As we embark on our sixth year, we remain dedicated to the mission of empowering educators and enriching the educational journey of our future leaders.

Individuals interested in contributing to the Teacher's Dream List drive are encouraged to reach out to any Weigand-Omega or Omega Senior Living managed property in their area.

For more information and a list of items to donate, please visit our Teacher's Drive List Website at [www.WeigandOmega.com/Teachers-Dream-List](http://www.WeigandOmega.com/Teachers-Dream-List) or follow us on Facebook [@MyNeighborsKeeperWOM](https://www.facebook.com/MyNeighborsKeeperWOM).
