My Neighbor's Keeper to Kick-Off Annual Food Drive

Weigand-Omega Management, Inc., and Omega Senior Living Join Forces to Support My Neighbor's Keeper Community Outreach Initiative, benefiting Our Daily Bread Food Pantry at Catholic Charities.

WICHITA, Kan.

Weigand-Omega Management and Omega Senior Living communities are pleased to announce the launch of our 8th annual food drive. The drive, which will take place from February 5th to March 1st, aims to collect non-perishable food items and supplies to benefit the local Our Daily Bread Food Pantry at Catholic Charities and local pantries in all communities where we operate nationwide. The drive is a part of the **"My Neighbor's Keeper"** initiative, our company-wide community involvement program.

Donations can be dropped off at the Weigand-Omega Management corporate office located at 333 S. Broadway in Wichita, KS. Additionally, donations can be brought to any Weigand-Omega or Omega Senior Living managed property in Wichita, KS. Collection boxes will be located in the reception office and donations will be accepted during regular office hours until Friday, March 1st at 5 PM.

"The pantries nationwide have a constant need for filling. The food drive is a way to collectively harness the goodwill of our associates, residents, commercial tenants, hotel guests, and vendors to support a cause for the greater good," states Craig Hanson, the Weigand-Omega Management President and Omega Senior Living Chief Executive Officer. "I'm confident our associates will step up again this year to help lead this effort at their properties and serve their communities, as hunger pains and empty stomachs are a reality in every town."

For more information and a list of items to donate, please visit our Spring Food Drive Website at www.WeigandOmega.com/Food-Drive or follow us on Facebook [@MyNeighborsKeeperWOM](https://www.facebook.com/MyNeighborsKeeperWOM).

Thank you for helping to us collect items this year for people in need this winter and spring.
